Sou natural do estado de Goiás, onde morei até 2003 quando então me mudei para os EUA com o objetivo de ajudar numa igreja naquele país. Minha esposa é pianista e através do ministério dela conseguimos o visto religioso do governo norte americano e ficamos estabelecidos na cidade de Tampa na Flórida por três anos e meio de onde retornamos para o

Brasil para residirmos em Manaus.

Hi, my name is Jessie Fanstone. I grew up in a presbyterian church and accepted Jesus as my personal savior when I was about 12 years old. That was the time when I truthfully understood the cross and the love of the Father for me. After that I joined the worship group as a vocal, and I love being part of it. Sence then I have been to missionary events and trips, and on most of them I´ve worked with teens, kids and, of course, worship and praise moments. I´m very happy that God is giving me this opportunity, and my prayer is that people will come to know Jesus the way that I once did. God bless.

My dad was the first brazilian missionary on New Tribes Mission, so I grew up in a Christian home but by the age 11 we moved to Manaus to work and study and after a few years I stepped out from God's will, had 4 children and got married, raise them and decide to come back to God now I have been serving Him for 10 years and I'm from a wonderfull Batist church!!!! And I'll be very excited to serve God this week sharing the love of our God with y'all....

Ernei Fanstone Pina is 23 years old. He was born in a Christian family, but made his very own decision for Christ when he was 14 years old. Since then he's been serving Jesus Christ in his local church, Igreja Presbiteriana Central de Anápolis (Presbyterian Church of Anápolis). He is part of the Worship Team, playing the keyboards, guitar and singing. He is also part of a group in the church that promotes social and evangelistic events in the poor neighborhoods of Anápolis, bringing food, blankets and most important, the love of Christ to these people. He is a fourth year medical student, who wants to use his profession to preach the love of Jesus.
