

"Fishin' Mission"

We are once again planning an Amazon Fishin' Mission adventure.

The trip will provide an opportunity to enjoy some of the finest fishin' in the world.

We will also participate in mission activities: helping with medical and dental needs, fitting reading glasses, children and youth ministries.

AMAZON OUTREACH has been bringing Americans to Brazil since 1999 for short-term mission trips, spreading the Gospel message of Jesus Christ to the Amazon River Basin. As a part of Amazon Outreach, we combine Peacock Bass fishin' with mission opportunities along the Amazon River.

NEW FISHIN' Boats

The Santa Isabel area will once again be our primary fishin' area, but we will have the option to relocate depending on river conditions.
