

# Joseph's Coat Craft

## Used with:

The Story of Joseph

## Supplies needed:

1. White cardstock
2. Pattern for coat and undershirt
3. Bright, multi-colored gift wrapping paper
4. Solid colored (bright colors are best!) gift wrapping paper
5. Gallon-sized and snack-sized Ziploc baggies

## Prepare ahead:

1. Copy/Print colored Joseph [pattern](#) onto white cardstock
2. Copy pattern of coat and undershirt template to cardstock
3. Use these to trace patterns on to gift wrapping paper
4. Cut coat pattern out of bright, multi colored gift wrapping paper
5. Cut undershirt from solid color gift wrapping paper
6. Print memory verses on mailing labels
7. Put cut coat pattern, undershirt and memory verse in snack-sized baggies; put Joseph pattern in 2 gallon-sized baggies (counts of 25 make for easy distribution)

## Children's activity:

1. Give each child a baggie and colored copy of Joseph pattern
2. Have child glue undershirt first and then each side of coat to Joseph pattern (it's less messy if you apply glue to the copy of Joseph rather than the wrapping paper pieces)
3. Stick memory verse onto picture
4. Have child write their name on Joseph pattern
